

# OUR PASSION IS YOUR PEACE OF MIND

**Our commitment to innovation, service excellence, safety, and to the environment lets you rest easy knowing your waste management needs are met with the compliance and care you expect.**

## **YOUR FULL-SERVICE WASTE MANAGEMENT PARTNER**

Your confidence comes from our experience. Experience with state, local and federal regulations. Experience with leading-edge waste treatment technology. Experience with safe transportation. Clean Water Environmental has been helping people meet their environmental needs for almost 80 years. We're committed to your compliance, your budget and your schedule to help keep our environment clean for future generations.

## **THE CWE MISSION**

Applying innovation, long-term expertise and technological prowess, we endeavor to creatively provide our clients, associates and the community with the peace of mind of knowing that their waste materials are being managed with the utmost safety, compliance and nurture for the environment. Integrity to our people-oriented and ecological principles is the primary reason for the execution of this mission.
